

# Double your impact with workplace dollar matching

**Many businesses have employee dollar matching programs so they can give back to the community, while also supporting causes that are important to their employees.**

If the organisation you work for has an employee dollar matching program, we would love it if you requested that they match the donations raised by you (and even your team if possible) as part of the Gotcha4Life fundraising campaign. You can **double your impact** and help us deliver twice the amount of mental fitness programs in schools, sports clubs, and communities around Australia.

Matched giving will allow you to achieve a higher more impactful fundraising goal as your family, friends, and teammates rally around you knowing that they will also **double your impact**.

## Here's how it works:

- 1 Request to employer – fill out the [Employee matched donations letter](#) and send to your employer.
- 2 Once your employer agrees to support your fundraiser, ask them to complete our [Dollar matching form](#) and email it to [fundraising@gotcha4life.org](mailto:fundraising@gotcha4life.org) so we can contact them.

**All donations  
over \$2 are  
tax deductible.**
